CPF: 014.520.883-49

Data e hora: 07/05/2026 - 11:28:51 (GMT-3)

Relatório

Medical Report

I hereby declare for all legal purposes that the patient mentioned above suffers from severe obstructive sleep apnea and requires the continuous and indefinite use of a continuous positive airway pressure (CPAP) device whenever he is sleeping.

Sleep apnea is associated with numerous complications, such as heart disease, stroke, dyslipidemia, type 2 diabetes, psychiatric disorders, and others. The use of the aforementioned device prevents such complications. ICD G47
